Dear Parents,

We want to welcome your family to the Sacred Heart School community. Our parish is highly committed to providing quality Catholic education to all families who desire it. We do charge a tuition fee to meet the financial obligations of our school, but we recognize that all families have different financial circumstances. As a school community, we are committed to the principle that school fees should not prevent students from receiving the gift of a Catholic education.

I would be pleased to meet with you and find a tuition level that fits your family's budget. Please call me at **250-398-6806 to arrange a meeting**. Be assured that the contents of this form and our discussion are confidential, though the completed form will be provided to the school principal for processing.

I look forward to meeting with you.

Fr. Derrick Cameron
