

Hello Sacred Heart families,

PLEASE CONSIDERING OFFERING YOUR TIME!

The Knights of Columbus are looking volunteers to help them their Stampede breakfast. They are looking for helpers for different times on Friday, June 29, Saturday, June 30, and Sunday, July 1.

This pancake breakfast has been hosted by the Knights for years and years and years and is enjoyed by so many people in Williams Lake over Stampede weekend!! It would be fabulous to be able to offer the Knights a great deal of help, especially in consideration of all of the ways they support out our school throughout the year. This amazing group offers us gaming funds that our PSG is able to spend on activities and events for our students, they donate monthly pancake breakfast earnings to our school, they generously agreed to host the concession at our carnival, they offer treats and gifts to our students throughout the school year... and this is just name a few! Please, PLEASE consider signing up to help at the Stampede breakfast this year. The Knights are a wonderful group to spend time with; there is no doubt that you will find this volunteer time fun and fulfilling.

Please contact John or Claire Shephard if you are able to help in any way!
