ALL PROCEEDS WILL

THANK YOU to all the parents who helped with our skating sessions and Catholic Schools Week! It is our incredible families that make this school so amazing. Without parent involvement it would not be possible to bring so many events and activities to the students.

Please join our parents support group (PSG) this Wednesday, February 12 for the next meeting. We would love to have your input and ideas!

MEETING

ST. VALENTINE'S DAY

Valentine's Day is this week: Friday, Feb. 14. Please refer to Freshgrade for announcements and information about St. Valentine's Day for your child's classroom.

RED AND PINK DRESS UP DAY

On Valentine's Day, students can dress up in PINK AND RED. No uniforms will be required on this day if student's are wearing red and/or pink.

IMPORTANT HEALTH NOTICE

It is important that you please keep your child at home if they are unwell. We recommend that you also keep your child at home if they are recovering from an illness, but are still not 100 percent well. We have identified a trend: students are kept home from school due to an illness, they return to school when they feel a little better (but their immune systems are still compromised), and they are affected with a secondary illness or infection of some kind. It is important that we do everything we can to keep our school community healthy and safe.
