Dear Parents/Guardians,

In light of your upcoming Hallowe'en preparations, I would like you to please consider our school's traditions and views when choosing a costume for your child. Students ***will be allowed to dress up on Friday, October 30<sup>th</sup>***. We ask that costumes are respectable and promote a fun and loving celebration. This would include fictional superheroes as well as real-life heroes such as police officers, firefighters, doctors, etc.

We are asking that students do not dress in costumes that may be fearful to children and would oppose the views of our school. These include anything that would promote death, evil or negativity towards others, etc. Students dressed inappropriately will be asked to change.

I look forward to celebrating this time of the year with you and your children.

Sincerely,

Mr. Gary Mason  
Principal
