Dear Parents / Guardians,

Re: New Administration 2022

The month of December was very busy. Many thanks to the staff for organizing the Christmas concert video, "The Best Re Telling Ever". I also want to thank you for your generous support of our Christmas Food Drive. Our office was flooded with boxes and boxes of non perishable food, which was walked over to the Sacred Heart Parish and then handed out to the community through the St Vincent de Paul Society. Your kind generosity does so much good for many families in our community – thank you!

Next week we celebrate Catholic Schools Week. Our theme this year is, "***One Family, one hope is Christ***". We will be focussing on the virtues of charity, unity, love, kindness, gratitude and compassion. Students will participate in classroom activities such as writing cards to people in our community, collecting items for St Vincent de Paul, recording a video for Deni House, enjoying a subway lunch from PSG and creating "prayer trees". We will also be adding 93 new ribbons to our school fence, while we pray for the families affected by the findings at the St Joseph Mission.

While this is all very exciting, I need to inform all of you that there is a chance I will not be serving as Principal for the 2022-2023 school year.

This may come as a surprise to you, and I recognize the timing of this announcement is early in the school year. Please know that this is not an easy or simple decision for me to make. I recognize that it is in the school's best interest that I let them know now, that my family might move to another city this summer.

I trust in our Lord and His plans.

I have had the pleasure and honor of serving Sacred Heart Catholic School as Principal since 2019. The time spent in this role has been so very special for me. I am not saying goodbye yet!

Sincerely,

Vanessa Fer
Principal
