Dear Staff, Parents, Guardians, and Students of Sacred Heart School

Re: Update from Principal Fer

I pray this letter finds you enjoying the green grass and sun outside!

Farewell from Mrs. Fer

It is with a heavy heart that I am here to announce that I am officially leaving my post as Principal of Sacred Heart School. My last day will be July 15th. My family has begun the process of moving to a new city this summer. I have spent 5 wonderful years in this city. I trust that God will take care of our school. I will never forget my time spent working with everyone here. It has been a place full of laughter and learning, that I will miss dearly. Thank you for being a part of my journey as a teacher and as the school Principal. A school isn't the same without helpful and amazing families like all of you.

Track and Field

Our grade 4-7 students have been working hard to jump higher, run faster and throw farther during track and field practices. Unfortunately, the June 2nd Track Meet in Quesnel was cancelled. This means we will not be holding lunch or after school practices anymore. However, our students will continue to work on track and field skills in PE class and participate in a 'Sports Day' in June. This event will allow our students to compete in track and field events against each other (and themselves) and have some fun in the afternoon. More information will be shared with families soon. Thank you to all of the staff and parents who volunteered their time to train our students at lunch and after school! The students made much improvement and we will do our best to ensure we celebrate our skills at the 'Sports Day' event in June.

June Field Trips

There are many field trips and activities being scheduled for June. Please check in with the teachers if you are willing to chaperone or help. Spending time with your child and their class is a lovely opportunity and we very much appreciate parent volunteers!

Wishing you a wonderful spring,

Vanessa Fer
